

```
hello_world::devices  
::imu::BMI088::init
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'hello\_world::devices' and '::imu::BMI088::init'. The right box is gray with a black border and contains the text 'hello\_world::devices' and '::imu::BMI088::acclInit'.

```
hello_world::devices  
::imu::BMI088::acclInit
```
