

hello\_world::devices  
::referee::UiFrame

```
graph BT; A[hello_world::devices::referee::UiFrameGraphicCharacter] --> B[hello_world::devices::referee::UiFrame]
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow points from the base class box to the derived class box, indicating that the derived class inherits from the base class.
