

HW-Components

The diagram illustrates the hardware components of a system. It features a large light blue rectangle with a dashed black border. Inside this rectangle, at the top, is the text 'HW-Components'. Below this text is a smaller light blue rectangle with a solid black border. Inside this inner rectangle, on the left, is a small blue square with a solid black border containing the text 'tick'. To the right of the 'tick' square, within the same inner rectangle, is the text 'dsp'.
