

```
hello_world::devices  
::referee::Referee::decodeRx  
Package
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'hello_world::devices', '::referee::Referee::decodeRx', and 'Package'. The right box is white and contains the text 'hello_world::devices', '::referee::RxPackageInfo', and '::decode'.

```
hello_world::devices  
::referee::RxPackageInfo  
::decode
```
