

hello_world::devices
::referee::SetEndCrc16Checksum

```
graph LR; A["hello_world::devices  
::referee::SetEndCrc16Checksum"] --> B["hello_world::devices  
::referee::GetCrc16Checksum"]
```

A diagram showing a call from the `SetEndCrc16Checksum` function to the `GetCrc16Checksum` function. The left box is shaded gray and the right box is white. A blue arrow points from the left box to the right box.

hello_world::devices
::referee::GetCrc16Checksum
