

```
hello_world::devices  
::motor::DM_J4310::decode
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'hello_world::devices' and '::motor::DM_J4310::decode'. The right box is gray with a black border and contains the text 'hello_world::devices' and '::motor::DM_J4310::raw2curr'.

```
hello_world::devices  
::motor::DM_J4310::raw2curr
```
